

# Royal Pepper Protein

## Complete liquid feed for live prey

### FEATURES

Red Royal Pepper Protein is a high quality shrimp liquid feed improving shrimps' health and stress resistance.

Royal Pepper Protein is ideal to be used during the difficult stages such as the Zoea - Mysis – post larvae (PL) transition, Zoea syndrome and PT stress.

### BENEFITS

- Facilitating assimilation and digestibility.
- Fewer mistakes while dosing, guaranteeing a correct feed distribution.
- Liquid feed mitigating water pollution and ensuring a better environment.
- High assimilation and digestibility.
- Ideal for Zoea and Mysis.
- Easy to use.

### COMPOSITION

| Nutrient      | Unit | Value | Nutrient    | Unit | Value |
|---------------|------|-------|-------------|------|-------|
| Moisture      | %    | 55.0  | Sodium      | %    | 10.0  |
| Crude Protein | %    | 11.0  | Phosphorous | %    | 0.2   |
| Crude Fat     | %    | 3.0   | n-3 HUFA    | mg/g | 15.0  |
| Ash           | %    | 30.0  | DHA         | mg/g | 10.0  |
| Crude Fiber   | %    | 1.0   | EPA         | mg/g | 0.1   |
| Calcium       | %    | 0.2   |             |      |       |

### INGREDIENTS

Water, salt, marine proteins, micro-algae.

### INSTRUCTIONS OF USE

- Shake well before use.
- Feed 10 % of the normal daily total feed or 4 to 8 ml / m<sup>3</sup> / day.
- Divide into 4 to 6 times per day.
- Weight the feed according to the dosage and mix well with clean water, then spread all over the tank.

*\*Adjust feed amounts according to local conditions. For more information, contact your local ADM Aquaculture expert.*

### PACKAGING

1.0 kg Bottle (10 bottles per carton).

### STORAGE CONDITIONS

Store in a dry and cool place (best at 4 °C, max. 20 °C).

Shelf life: 2 years.

#### ADM IS YOUR GLOBAL LEADER IN ANIMAL NUTRITION

We are dedicated to enabling sustainable growth. Growth that benefits our customers, the world's population and this planet on which we live. We are One ADM Team working across a unique vertically integrated portfolio, providing exceptional levels of customer service and experience as we work together to address the three main challenges that our customers face: health through nutrition, performance & quality, and sustainability.
